Circular

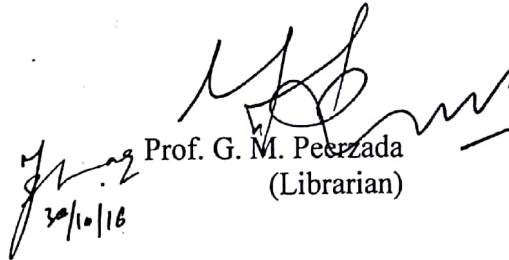

Sub. : Strengthening/Updating of collection of Allama Iqbal Library.

In order to strengthen and update the collection for its maximum utilization, Allama Iqbal Library intend to add latest Core **Text books** of various disciplines taught in the University as the library remains open for more than 12 hours a day providing students fair chance to go through the required text books.

In this regard, all the Heads/Directors/Chairmen/Coordinators etc. are requested to kindly send lists of text books in order of priority representing equally all semesters of each programme taught in the University. Preference should be given to the most used titles while compiling the list. However, the Reference titles may be recommended separately. Each list may be signed by the faculty members/purchase committee members for judicious selection and forwarded to the undersigned by or before 04-11-2018.

This may kindly be treated as Most Urgent.
