Subject: Expanded Eligibility of Journals for Article Processing Charge (APC) Support Under the One Nation One Subscription (ONOS) Initiative

It is hereby notified for the information of the faculty members, research scholars, and other members of the academic community of the University of Kashmir that, as communicated by the INFLIBNET Centre, Gandhinagar, the list of journals eligible for **Article Processing Charge (APC) support under the One Nation One Subscription (ONOS)** initiative has been expanded to include **Gold Open Access journals listed in top 10% journals** in their respective subject categories as per any of the **3 indicators (CiteScore, SNIP and SJR)** from the publishers providing access to their published journals under ONOS.

The initiative aims to facilitate the bonafide faculty members, research scholars, and students of the University in availing APC support for publishing their research work in eligible scholarly journals, in accordance with the applicable ONOS guidelines and conditions.

The faculty members and research scholars are advised to verify the eligibility of their intended journal and carefully review the applicable APC support guidelines, conditions and procedures available on the official ONOS portal https://www.onos.gov.in . The inclusion of a journal in a subject-category ranking does not, by itself, guarantee APC support, eligibility and support remain subject to the prevailing ONOS provisions.

Accordingly, all faculty members, research scholars and students are advised to visit the official ONOS portal at https://www.onos.gov.in/apc-support to check the updated list of eligible journals and acquaint themselves with the relevant guidelines and procedure for availing the APC support facility. For queries relating to APC support, the concerned may contact the ONOS Team, INFLIBNET Centre, through the following channels:
