Dated: 05.08.2026

CIRCULAR

Subject: Registration of Members under the National Digital Library of India (NDLI) Club

It gives me immense pleasure to inform the University's research and academic community that the **University of Kashmir** has been registered as an **NDLI Club** under the **National Digital Library of India (NDLI)**, an initiative of the Ministry of Education, Government of India.

The establishment of the NDLI Club marks a significant milestone in promoting digital learning, academic excellence, and knowledge sharing within the University. In this regard, it is hereby notified for the information of all teaching faculty, research scholars, and students (including distance learners) that they are encouraged to become members of the University of Kashmir NDLI Club and avail themselves of the wide range of digital learning resources and academic engagement opportunities offered through the NDLI platform.

The National Digital Library of India (NDLI) provides access to a vast collection of quality digital learning resources, including books, journals, theses, lecture videos, question papers, and other educational content across various disciplines. In addition, the NDLI Club serves as a platform for promoting reading habits, digital learning, academic engagement, and participation in workshops, webinars, quizzes, competitions, and other knowledge-sharing activities organized through the NDLI Club platform.

In this connection, all members of the University community are requested to complete the following registrations:

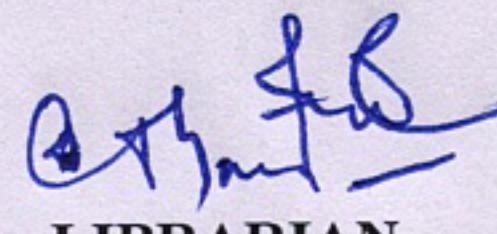

1. **Register on the National Digital Library of India (NDLI) Portal** by creating an individual NDLI account to access the digital learning resources available through the platform.
2. **Register as a Member of the University of Kashmir NDLI Club** using the same registered email address to participate in the academic and outreach activities organized through the University's NDLI Club.

In this regard, all Heads of Departments/Centres, Directors of Satellite Campuses/Institutes, Coordinators, are requested to circulate this information among all faculty members, research scholars, and students and encourage them to complete both registrations at the earliest. A **step-by-step User Guide**, along with the registration link for joining the University of Kashmir NDLI Club, is available on the Allama Iqbal Library website at <https://ail.uok.edu.in>.

For any assistance regarding member registration, the E-Resources Centre, Allama Iqbal Library, may be contacted during working hours.

Further, all concerned are requested to extend their cooperation and ensure maximum participation so that the University community can effectively benefit from the academic and learning resources made available through the NDLI Club.
