NOTIFICATION

As already communicated, Allama Iqbal Library is pleased to announce the commencement of a Lecture Series exclusively designed for research scholars. This initiative aims to provide a platform for scholarly discourse, knowledge exchange, professional and research development. The series is intended to support and enrich your research journey by featuring experts across various disciplines to cover diverse range of topics. Each lecture will focus on cutting-edge research, methodologies, sources, tools and trends that are pivotal to advancing your academic and research pursuits.

The first lecture of the series will be delivered by **Dr. Fayaz Ahmad Loan, University Librarian** on the theme “**Crafting Research Articles for Scholarly Journals**”. The lecture will be held on October 03, 2024 at Ibn Khaldun Auditorium, Allama Iqbal Library at 11:30 AM.

The interested research scholars are requested to register online for the same at the link available at the Allama Iqbal Library website or given below: <https://forms.gle/bTvBV1YWm8RRCEwr5>
