Sub.: Disruption of Plagiarism check service due to transition to new Plagiarism Detection Software (PDS)
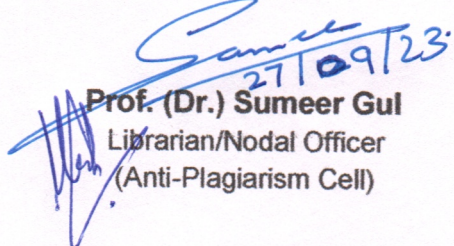

This is with reference to the ShodhShuddhi Project, which provides Plagiarism Detection Software (currently accessed through Ouriginal by M/s Turnitin, formerly known as URKUND).

In this connection, the undersigned has received a communication from the INFLIBNET Centre (an Autonomous Inter-University Centre (IUC) of University Grants Commission (UGC) that the Subscription period to PDS product, OURIGINAL, is ending on 30th Sep, 2023, and the INFLIBNET Centre is finalizing the tender process for the new PDS product soon.

Thus, in order to ensure a smooth transition and maintain continuity of the services, the Centre will be subscribing to a new PDS which will be on trial and on transition/migration period for a period of one month (i,e October, 2023).

As such, all the concerned are requested to co-operate and bear with us during the period for any disruption in Plagiarism check services.

The inconvenience caused is highly regretted.
