#### **Sub: Access to Institute Of Physics (IOP) E-Journals.**

Allama Iqbal Library is providing access to numerous e-journals through its remote access facility. This time we have arranged access to **IOP E-Journals**. We are pleased to inform that trial access to IOP Publications - a leading provider of scientific and scholarly content in the areas of **Physics, Bioscience, Astronomy and Astrophysics, Education, Optics and Photonics, Mathematics and Computation, Environment Science and Materials Science** has been started by the library for its users. The publications reflect the growth of scientific research and application in core scientific fields while recognising the increasing interdisciplinary nature of scientific research.

Some of the key flagship journals of this publisher are Journal of Physics series, Nanotechnology, New journals of Physics, *Environmental Research Letters*, Materials Research Express, 2D Materials, Semiconductors and Superconductors, Japanese Journals of Applied Physics, Engineering Research Express, Machine Learning, Russian Chemical Review, Smart Materials and Structures, Electronic Structure to name a few. The free access shall be open till 10th December 2020.

As such, all faculty members / scholars / students and others are requested to access these E-Journals at <https://iopscience.iop.org/journalList> OR from our E-resources Section on <http://ail.uok.edu.in> and take maximum benefit out of this opportunity.

After going through the e-journals, the faculty can send the requisitions to library for procurement as well.

#### **Please note:**

1. Only bonafide users of Allama Iqbal Library with RemoteXs username/password are allowed to use the e-journals.
2. The e-journals can be accessed within the campus also without logging in to the RemoteXs software.
