

Allama Iqbal Library Annual Meet Tell Us your Library Story July 03, 2023

Organizer
Allama Iqbal Library
University of Kashmir

Allama Iqbal Library, University of Kashmir is going to organize a **Library Meet** on **3rd July 2023** which will help to create a suitable way to engage and get in touch with the alumni and peers of the university and share their professional and personal experiences. It will help to connect the university with former students who are in top positions across the globe and create employment opportunities with the organizations in which our pass-outs are working. In this regard, university pass-outs from the different Departments/Centers/Directorates (who have actively utilized the library services and are holding top positions across the globe), former Librarians, Deputy Librarians, Assistant Librarians, and Professional Assistants (Senior and Junior) are invited to register themselves for the event and give us an opportunity to act as a professional networking platform. As we prepare to host a special library meet, we couldn't help but reminisce about the countless hours we spent together within the walls of our beloved library. The memories we made, the books we devoured, and the knowledge we gained have left an indelible mark on our

lives. It is with great pleasure that we invite you to join us for this extraordinary event as we celebrate the enduring legacy of our library and the remarkable individuals who have been a part of it. Your presence at the **Library Meet** would not only make it an occasion to cherish but also an opportunity to reconnect with old friends, mentors, and kindred spirits. Together, we can weave a tapestry of nostalgia, sharing anecdotes that bring back the magic of those bygone days. We believe that no one understands the essence of our library better than you, the alumni who have played an integral role in shaping its history. Join us as we come together to celebrate the library's profound impact on our lives, honor the memories we hold dear, and forge new connections that will inspire and empower future generations. Let us relive the magic and make this library meet an unforgettable experience.
