### Sub: Online Registration of Remote Access (RemoteXs) Portal of Allama Iqbal Library

Allama Iqbal Library has been providing access to numerous resources both in print and electronic format and the Library has maintained a comprehensive list of all these subscribed e-resources (**Centrally funded & Self-subscribed**) on its website at (<https://www.ail.uok.edu.in/>) that provides links to these e-resources along with search and browsing interface for its online access. The list is available under E-Resources menu of the Library website and under the Online Resources tab.

These resources can be accessed by our bonafide users including faculty members, research scholars and students not only within the campuses but also from outside the campus by using state-of-the-art cloud hosted **Remote Access facility (RemoteXs Portal)** of Allama Iqbal Library.

The **RemoteXs portal** provides access to all the subscribed e-resources both within and outside University campuses from anywhere and anytime on the personal computers, laptops and mobile devices etc of the users. The portal can be accessed at <https://uok.remotexs.in/user/login> by all the registered members of Allama Iqbal Library after submitting duly filled-in **User Registration form** available at Library website for activation of their respective RemoteXs accounts.

However, keeping in view the current pandemic situation due to the **COVID-19** disease, the Library has started online registration of RemoteXs facility for its bonafide/registered users and the same can be accessed at <https://uok.remotexs.in/user/login>. All the bonafide users can access the link and click on **"Register (New User)** and fill-up all the mandatory details for creation of their respective RemoteXs accounts. Once the users submit the online registration form, the registered user will receive an **E-mail** from the administrator along with the link for setting password and access the **RemoteXs portal** from anywhere and anytime.

As such, all the bonafide users of Allama Iqbal Library are requested to register for RemoteXs facility for activation of their respective RemoteXs accounts.
