- Mastering the art of revision and resubmission
- Strategic approaches to building your research reputation
- Leveraging ONOS for competitive intelligence in your field

ABOUT THE SPEAKER

Arunima Aditya

Customer Education Manager

Arunima Aditya, a global education strategist, facilitates Customer Education at Wiley, developing evidence-based scholarly communication programs for diverse academic stakeholders. With deep editorial expertise—including progressive roles as Development Editor and Health Sciences Commissioning Editor—she designs frameworks that enhance research capacity across the global academic ecosystem. She supports institutions, libraries, Open Access administrators, researchers, and authors to achieve their goals and enhance the impact of Wiley's products and services. Her strategic initiatives drive systemic transformation in how scholarship is created, disseminated, and accessed within the international scholarly ecosystem.
